

As a part of Golden Jubilee Celebration, Manzilein-Career Fair was organized by SIES Institute of Comprehensive Education on 17th, 18th and 19th of Dec '09 .

The basic aim of the career fair was always to generate an awareness and assist students to make career choices in varied disciplines available in the present day.

The following were the highlights of the fair:

- Career Foundation collaborated in this effort by providing over 150 posters of different careers available for HSC and Under graduate students.
- Disha counselling centre provided their expertise with free counselling sessions, Aptitude tests and also with 50 posters in different careers available both in English and Marathi.
- KarRox Technologies Ltd. provided a Resource Person for all the 3 days on - Mastering group discussions, How to choose a Career, Resume writing, How to attend an Interview, Being proactive, Avoiding procrastination and Enhancing inter-personal skills.
- Career talks by Eminent speakers on Self-employment, Company secretary, Mass communication, Travel and Tourism, Emerging trends in IT, Taking education beyond the walls, Study Abroad, ICWA and many more were a part of the fair.
- State Bank of Mysore held sessions on Education loans and other Banking facilities / products for students.
- Technology centre, Dept. of Biotechnology, Institute of Comprehensive Education and Centre for Excellence provided information regarding their respective courses and future careers.

The Fair was successful due to the sponsorship from Larsen & Toubro, State Bank of Mysore, KarRox, Shamrao Vittal Co-operative Bank, Kuoni Academy, Technology centre and Association of Company Secretary.

All the sessions were well attended and were enlightening, meaningful and highly useful. The career fair was well received by students and parents.
