**Celebrates  
The Golden  
Jubilee Year.**

**D**ear alumni of S.I.E.S. College of Arts, Science and Commerce, Sion West, Mumbai,

It gives me immense pleasure to address you through this newsletter on the occasion of the Golden Jubilee of the S.I.E.S. College of Arts, Science and Commerce, Sion West, Mumbai. We want to make this year

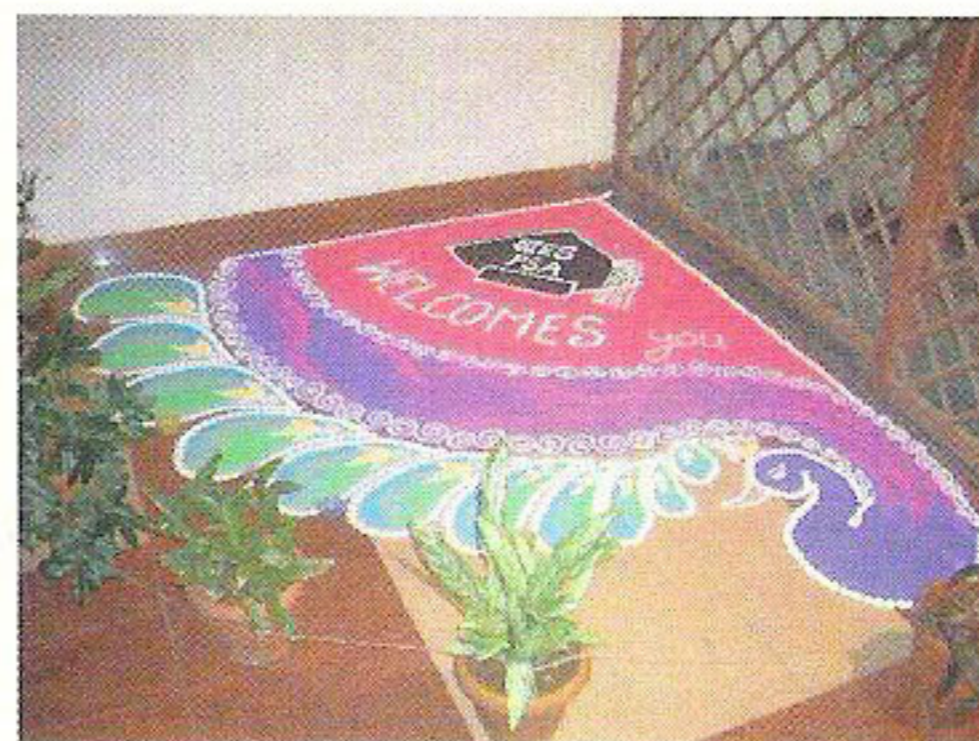

especially memorable. This year should be one in which everyone, who has in some way been touched and influenced by his or her alma-mater, S.I.E.S., can be involved pro-actively in making it one to cherish

I appeal to every alumnus of this 50 year old institution, which has grown from a tiny acorn to a mighty oak, to make available to S.I.E.S. their experience, expertise and art in some way or the other, in order to ensure that the cycle of giving back to the institution is kept up.

This year we are also going in for a re-accreditation by NAAC, a body of the UGC that looks at the involvement of the alumni of the institution as a very positive feature. I hope you will help us in continuing the legacy of our college that has always had a very pro-active past students' association. Let us together pledge that our PSA will be one of the most active ones from among the colleges in Mumbai and together we will make our college the mightiest oak in the metropolis.

**Dr. Harsha Mehta,**  
**Principal .**

### The Past Students' Association (PSA).

The Past Students' Association has always made their presence felt in the college through various activities like setting up Microbiology Lab, Centre for Visually Challenged, Herbal Medicinal Plant Garden, Conducting Workshops, Campus interviews, instituted endowment prizes, donation of books to the library, etc.

The Department of statistics had organized alumni meet in August 2008.

The 1969 batch of physics students launched lectures titled "New Frontiers in Physics" to pay tribute to the C. P. Narayan Menon, Former Vice-Principal and Head of the Department Physics who left for heavenly abode.

The speakers were themselves alumni of the same batch :

Dr. Nalini Easwar, Scientist, Smith College USA.

&

Dr. S. Krishnan, National Chemical Laboratory, Pune

The Alumni (1969 Batch of Physics) has donated highly informative CDs for the students.

Miss. Nisha Shah, Fine & Fragrances Ltd., an alumni has delivered a two day lecture and workshop on

"Perfumery, Aromatherapy & Candlemaking" for Self Employment Course conducted by the Chemistry Department.

Mr.V.M.Ramachandran, Care & Clean, Mulund had delivered a workshop on preparation of Detergents, Toiletries, Soaps, etc. for Self Employment Course.

A lecture on "Atmosphere in our industry" by Dr.Sreenath Trivikram from Research Support International Ltd.

A mega reunion was held on Saturday, 18<sup>th</sup> April 2009 under the theme "Entertainment & Dinner Nite".

The PSA will be conducting a Fund raising event & a Logo Competition for the first time which is open to students as well as ex-students for celebrating the Golden Jubilee Year of SIES.

The health post by Dr. Aarti Agarwal, a General Physician is a ongoing programme.
